VI. FAILURE TO COMPLY WITH CONSENT DECREE

8. Interest on Late Payments. If any Settling Defendant fails to make any payment under Paragraph 4 by the required due date, Interest shall continue to accrue on the unpaid balance through the date of payment.

9. Stipulated Penalty.

a. If any amounts due under Paragraph 4 are not paid by the required date, the Settling Defendants shall be in violation of this Consent Decree and shall pay to EPA, as a stipulated penalty, in addition to the Interest required by Paragraph 8, \$500 per violation per day that such payment is late.

All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

10. If the United States brings an action to enforce this Consent Decree, the Settling Defendants shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

11. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of the Settling Defendants’ failure to comply with the requirements of this Consent Decree.

12. The obligations of the Settling Defendants to pay amounts owed the United States under this

Consent Decree are joint and several. In the event of the failure of any one or more of the Settling Defendants to make the payments required under this Consent Decree, the remaining Settling Defendants shall be responsible for such payments.

13. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse the Settling Defendants from payment as required by Section V or from performance of any other requirements of this Consent Decree.

VII. COVENANT NOT TO SUE BY PLAINTIFF

14. Except as specifically provided in Section VIII, the United States covenants not to sue or to take administrative action against the Settling Defendants pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover Past Response Costs. This covenant not to sue shall take effect upon receipt by EPA of all payments required by Section V, Paragraph 4, and any amount due under Section VI. This covenant not to sue is conditioned upon the satisfactory performance by the Settling Defendants of their obligations under this Consent Decree. This covenant not to sue extends only to the Settling Defendants and does not extend to any other person.

VIII. RESERVATIONS OF RIGHTS BY THE UNITED STATES

15. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all matters not expressly included within the Covenant Not to Sue by Plaintiff in Paragraph 14. Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Settling Defendants with respect to:

a. liability for failure of the Settling Defendants to meet a requirement of this Consent Decree;

- b. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs;
- c. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606;
- d. criminal liability; and
- e. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments.

IX. COVENANT NOT TO SUE BY THE SETTLING DEFENDANTS

16. The Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs or this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
- b. any claim arising out of the response actions at the Site for which Past Response Costs were incurred, including any claim under the United States Constitution, the Constitution of the State of Illinois, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or
- c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to Past Response Costs.

17. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

X. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

18. Nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. The Parties expressly reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action that they may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

19. The Parties agree, and by entering this Consent Decree this Court finds, that the Settling Defendants are entitled, as of the date of entry of this Consent Decree, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are Past Response Costs.

20. The Settling Defendants agree that they will not pursue claims against one another for matters addressed in this Consent Decree, excepting the SA2SG Parties, who may pursue claims against each other for matters addressed in this Consent Decree.

21. Each Settling Defendant agrees that, with respect to any suit or claim for contribution brought by it for matters related to this Consent Decree, it will notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Each Settling Defendant also agrees that, with respect to any suit or claim for contribution brought against it for matters related to this Consent Decree, it will notify EPA and DOJ in writing within 10 days of service of the complaint or claim upon it. In addition, each Settling Defendant shall notify EPA and DOJ within 10 days of service or receipt of any Motion for Summary Judgment, and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

22. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, the Settling Defendants shall

not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Section VII.

XI. SITE ACCESS

23. If the Site, or any other property where access is needed to implement response activities at the Site, is owned or controlled by the Owner Settling Defendant, the Owner Settling Defendant shall, commencing on the date of lodging of this Consent Decree, provide the United States and its representatives, including EPA and contractors, with access at all reasonable times to the Site, or to such other property, for the purpose of conducting any response activity related to the Site, including, but not limited to, the following:

1. monitoring, investigation, removal, remedial, or other activities at the Site;
2. verifying any data or information submitted to the United States;
3. conducting investigations relating to contamination at or near the Site;
4. obtaining samples;
5. assessing the need for, planning, or implementing response actions at or near the Site;
6. inspecting and copying records, operating logs, contracts, or other documents maintained or generated by the Settling Defendants or their agents, consistent with Section XII; and
7. assessing the Settling Defendants' compliance with this Agreement.

24. Notwithstanding any provision of this Agreement, EPA retains all of its access authorities and rights, as well as all of its rights to require land/water use restrictions, including enforcement authorities related thereto, under CERCLA, RCRA, and any other applicable statute or regulations.

XII. ACCESS TO INFORMATION

25. The Settling Defendants shall provide to EPA, upon request, copies of all records, reports, or information (hereinafter referred to as "records") within their possession or control or that of their contractors or agents relating to activities at the Site, including, but not limited to, sampling, analysis, chain of custody records, manifests, trucking logs, receipts, reports, sample traffic routing, correspondence, or other documents or information related to the Site.

26. Confidential Business Information and Privileged Documents.

a. The Settling Defendants may assert business confidentiality claims covering part or all of the records submitted to Plaintiff under this Consent Decree to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. § 2.203(b). Records determined to be confidential by EPA will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies records when they are submitted to EPA, or if EPA has notified the Settling Defendants that the records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2 Subpart B, the public may be given access to such records without further notice to the Settling Defendants.

b. The Settling Defendants may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If the Settling Defendants assert such a privilege in lieu of providing records, they shall provide Plaintiff with the following: 1) the title of the record; 2) the date of the record; 3) the name, title, affiliation (*e.g.*, company or firm), and address of the author of the record; 4) the name and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the privilege asserted. If a claim of privilege applies only to a portion of a record, the record shall be provided to Plaintiff in redacted form to mask the privileged information only. The Settling Defendants shall retain all records that they claim to be privileged until the United States has had

a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Defendants' favor. However, no records created or generated pursuant to the requirements of this or any other settlement with EPA pertaining to the Site shall be withheld on the grounds that they are privileged.

27. No claim of confidentiality shall be made with respect to any data, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, or engineering data, or any other documents or information evidencing conditions at or around the Site.

XIII. RETENTION OF RECORDS

28. Until 10 years after the entry of this Consent Decree, each Settling Defendant shall preserve and retain all records now in its possession or control, or which come into its possession or control, that relate in any manner to response actions taken at the Site or the liability of any person under CERCLA with respect to the Site, regardless of any corporate retention policy to the contrary.

29. After the conclusion of the 10-year document retention period in the preceding paragraph, the Settling Defendants shall notify EPA and DOJ at least 90 days prior to the destruction of any such records, and, upon request by EPA or DOJ, the Settling Defendants shall deliver any such records to EPA. The Settling Defendants may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If the Settling Defendants assert such a privilege, they shall provide Plaintiff with the following: 1) the title of the record; 2) the date of the record; 3) the name, title, affiliation (*e.g.*, company or firm), and address of the author of the record; 4) the name and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the privilege asserted. If a claim of privilege applies only to a portion of a record, the record shall be provided to Plaintiff in redacted form to mask the privileged information only. The Settling Defendants shall retain all records that they claim to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Defendants' favor. However, no records created or generated

pursuant to the requirements of this or any other settlement with EPA pertaining to the Site shall be withheld on the grounds that they are privileged.

30. Each Settling Defendant hereby certifies individually that, to the best of its knowledge and belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed, or otherwise disposed of any records, reports, or information relating to its potential liability regarding the Site since notification of potential liability by the United States or the filing of suit against it regarding the Site and that it has fully complied with any and all EPA requests for information pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6972.
